

There are many fees that you will be responsible for paying to UAF as an international or north2north exchange student, even with a full tuition waiver. Below is an estimate of these fees; your actual fees will vary depending on which courses you take (this will affect your student fees, your textbook fees, etc.), what type of housing and meal plan you choose, etc.:

Waived Tuition	
about \$1,352	Mandatory student fees
about \$2,070	On-campus housing in double-occupancy dorm room
about \$2,200	Meal plan
about \$1,000	Other fees

An exchange student living in on-campus housing with a meal plan must pay about \$6,622 per semester to UAF by the Fee Payment Deadline.

Fee Payment Deadline

The above fees will all be due at the beginning of each semester. You will be required to pay for all of your semester expenses outlined above by the following date for each semester (5:00pm if you pay in person at the UAF Office of the Bursar, or midnight if you pay online via [UAOnline](#)):

Fall Semester 2016: Monday 12 September 2016
Spring Semester 2017: Monday 30 January 2017

How to Pay Your Fees

UAF accepts credit cards (Visa, MasterCard, Discover, American Express), traveler's checks, money orders, and cash. You may also pay using www.peertransfer.com, a company that UAF has partnered with to help facilitate student fee payments. **Please note that if you pay by PeerTransfer, you MUST initiate the payment to UAF a week before the deadline listed above, otherwise you may be responsible for a \$100 late fee to UAF.**

If you are paying with a credit card, the two most common issues that previous students have run into are that the bank or the credit card company:

- does not allow a charge from the US, or
- has a daily, weekly, or monthly maximum that is below the amount that the student owes to UAF.

Please contact your bank or credit card company to make sure you won't have these issues. *Payment with a credit card will incur a service fee of 2.75% added to the total payment.*

If you are unable to pay the entire amount by the deadline, you may set up a [Payment Plan](#). With this option, you can divide the amount into two or more payments spread out over the semester. There is an additional \$50 fee for this service, and you will have to set up the Payment Plan and make your first payment by the deadline above.

It is your responsibility to resolve any fee payment issues by the Fee Payment Deadline.

Tuition

Tuition is the charge per credit for courses that you are enrolled in at UAF. All tuition for all courses, including the non-resident surcharge, is waived for international exchange students. The waiver will be applied by the Office of International Programs and Initiatives (IPI) once your final class selections have been made and you have met with an IPI advisor before the Fee Payment Deadline.
