

There are many fees that you will be responsible for paying to UAF as a Plan A NSE student. Below is an estimate of these fees; your actual fees will vary depending on which courses you take (this will affect your tuition, student fees, textbook fees, etc.), what type of housing and meal plan you choose, etc.:

- about \$2,800 Tuition (resident rate)
- about \$1,352 Mandatory student fees
- about \$2,070 On-campus housing
- about \$2,200 Meal plan
- about \$1,000 Other fees

A Plan A NSE student living in on-campus housing with a meal plan must pay about \$9,442 per semester to UAF by the Fee Payment Deadline.

Fee Payment Deadline

The above fees will all be due at the beginning of each semester. You will be required to pay for all of your semester expenses outlined above by the following date for each semester (5:00pm if you pay in person at the UAF Business Office, or midnight if you pay online via [UAOnline](#)):

Fall Semester 2016: Monday 12 September 2016
Spring Semester 2017: Monday 30 January 2017

How to Pay Your Fees

UAF accepts credit cards (Visa or MasterCard only), traveler's checks, money orders, and cash. If you are paying with a credit card, the two most common issues that previous students have run into are that the bank or the credit card company:

- does not allow a charge in Alaska, or
- has a daily, weekly, or monthly maximum that is below the amount that the student owes to UAF.

Please contact your bank or credit card company to make sure you won't have these issues. Payment with a credit card will also incur a 2.75% service fee which will be added to the total payment.

If you are unable to pay the entire amount by the deadline, you may set up a [Payment Plan](#). With this option, you can divide the amount into two or more payments spread out over the semester. There is an additional \$50 fee for this service, and you will have to set up the Payment Plan and make your first payment by the deadline above.

If you are receiving Financial Aid from UAF, release of those funds will start being applied to student accounts 10 days before the first day of class.

It is your responsibility to resolve any fee payment issues by the Fee Payment Deadline.

Tuition

Tuition is the charge per credit for courses that you are enrolled in at UAF. Plan A NSE students will pay tuition at the resident rate; the non-resident tuition surcharge will be waived. Undergraduate students are required to enroll in at least 12 credits (000-, 100- or 200-level: \$192 per credit; 300- or 400-level: \$232 per credit; 600-level: \$444 per credit).
