

There are many fees that you will be responsible for paying to UAF as a study abroad student. Below is an estimate of these fees; your actual fees will vary depending on which courses you take, what type of housing and meal plan you choose, etc.:

about \$ 12,418 -**Tuition**

about \$ 1,675 -**Mandatory student fees**

about \$ 2,350 -**On-campus housing in double occupancy dorm room**

about \$ 2,295 -**Meal plan (required for on-campus living)**

about \$ 1,600 -**Other fees**

A study abroad student living in on-campus housing with a meal plan must pay about \$20,338 per semester to UAF by the Fee Payment Deadline.

Fee Payment Deadline

Student fees will be due at the beginning of each semester. You will be required to pay for all of your semester expenses by the Fee Payment Deadline for each semester (5:00pm if you pay in person at the UAF Office of the Bursar, or midnight if you pay online via UAOnline):

Fall Semester 2017: Monday 11 September 2017
Spring Semester 2018: Monday 29 January 2018

How to Pay Your Fees

UAF accepts credit cards, traveler's checks, money orders, and cash. You may also pay using www.flywire.com, a company UAF has partnered with to help students with their fee payment. **Please note that if you pay by FlyWire, you MUST initiate the payment to UAF to ensure the payment arrives to UAF before the deadline, otherwise you may be responsible for a \$100 late fee to UAF.** Payments by FlyWire take several days before they apply to your UAF account.

If you are paying with a credit card, the **two most common issues** that previous students have run into are that the bank or the credit card company:

- does not allow a charge from the US, or
- has a daily, weekly, or monthly maximum that is below the amount that the student owes to UAF.

Contact your bank or credit card company to make sure you won't have these issues. *Payment with a credit card will incur a service fee of 2.75% added to the total payment.*

If you are unable to pay the entire amount by the deadline, you may set up a Payment Plan. With this option, you can divide the amount into two or more payments spread out over the semester. There is an additional \$65 fee for this service. Make sure to set up the Payment Plan and make your first payment by the Fee Payment Deadline.

It is your responsibility to resolve any fee payment issues by the Fee Payment Deadline.

Tuition

Tuition is the charge per credit for courses that you are enrolled in at UAF. Study abroad students will pay tuition at the non-resident rate. Undergraduate students are required to enroll in at least 12 credits (000-, 100- or 200-level: \$715 per credit; 300- or 400-level: \$757 per credit), while graduate students are required to enroll in at least 9 credits (600-level: \$979 per credit).
