TOEFL Requirements for Exchange Students

Starting in the Fall 2015 semester, UAF is implementing a new TOEFL requirement for exchange students. This change is due to the needs that we have seen of exchange students at UAF, and an effort on our part to provide adequate and effective intensive English language and other instruction.

All exchange students are now required to submit TOEFL iBT (internet-based) scores with their other application materials. To be accepted as an exchange student to UAF, a student must meet both of the following TOEFL iBT or equivalency scores:

Category	TOEFL-iBT Score Requirements
Reading	14
Listening	12
Speaking	12
Writing	14
Composite	52
