Students from partner institutions who are nominated for exchange may be eligible to receive a tuition waiver, which covers tuition costs at UAF. If nominating multiple students, please rank them in the order of preference to receive a tuition waiver. *Not all students may receive a tuition waiver.* Study abroad students are responsible for paying non-resident tuition to UAF. Residents of sister cities will be eligible for resident tuition.

Students who are willing to attend UAF as fee-paying students (in the event an exchange waiver is not available) should select "Prefer Exchange" for *Type of Placement Requested*.
